Council News

This month we have been working on solidifying the CAT program with our CAT monitors. We all can help by putting our CAT's out as soon as we are home for the evening. If you are going out for the evening put a note on the door informing the monitor. This will be greatly appreciated by your CAT monitor. If you do not wish to participate in the program we have a form for you to sign indicating your desire not to participate in the program. See your monitor for the form.

Our next Council Meeting will be on Friday, April 8 at 1:00pm in the Den. You are all welcome to attend.

Bill Newell,
President
